**Cupcake Day**

at The Capitol, North Street, Horsham

10.30am until 2.30pm.

Raising funds for

**Alzheimer's Society**

In the average time it takes to bake a batch of cakes, six people in the UK will develop dementia. It is now the leading cause of death in England and Wales, overtaking both cancer and heart disease.

The money we raise from our Cupcake Day can help to fund pioneering research, crucial support services and vital care. By hosting our day, we are uniting with Alzheimer's Society in the fight against the UK's biggest killer. Until the day they find a cure, thanks to kind donations from events like this, Alzheimer's Society can continue to be here for anyone affected by dementia - wherever they are, whatever they're going through.

Cupcake Day has raised £2.7 million since 2016 – let's make this year our biggest yet!
