<p>Launch of Refill Horsham District Email dated 3rd July 2018, from Catherine Cannon, WSCC</p>	For information

<p>I'm delighted to let you know that Refill Horsham District is launching on Sunday 8th July at the Funday Sunday in Horsham Park. Refill is a national practical tap water campaign that aims to make refilling your bottle as easy, convenient and cheap as possible by introducing Refill Stations on every street. This project reduces litter by removing the need for single use plastic bottles, helps us to stay hydrated in this warm weather, and encourages people to support local businesses. We're thrilled that Refill Horsham District is the very first Refill scheme in West Sussex!</p> <p>Please see below the email with more information about Refill and about the launch. There is plenty of activity on social media: you can find Refill Horsham District on Twitter and Facebook .</p> <p>If you have any queries, would like to find out more about the launch or see how your parish could be involved, please contact Jeanette Mercer directly at refill@kinderliving.co.uk</p> <p>The Clerk will include on Augusts agenda</p>	
<p>Local Builders working closely with Sussex Building Control achieve award winning status Email dated 3rd July 2018, from Sarah Hogben, HDC</p> <p>Sussex Building Control, The Local Authority building control service for Horsham District Council and Crawley Borough Council, are pleased to announce that local builder's Andy Webb and Tony Westwood Builders won 'Best Local Builder or Traditional Craftsperson' at the Local Authority Building Control (LABC) South East Building Excellence Awards 2018.</p> <p>The award ceremony was held at the Brighton Grand Hotel on 22 June 2018. Andy and Tony's partnership was established in 2002 and they work regularly with Sussex Building Control to ensure that their work is carried out in full compliance with the <i>Building Regulations</i> and allied legislation. Their work covers a wide area of Sussex from Chichester to Brighton and Hove including the Horsham District. This annual LABC event was attended by around 350 people involved in the construction industry to celebrate excellent construction.</p> <p>Andy Webb said: "To have the quality of our work noticed by the Local Authority Building Control and to be nominated for such a prestigious award by a head building control surveyor is a real honour and testament to our workmanship." To win this award is truly astonishing. Thank you to everyone involved with the LABC awards. "</p> <p>Claire Vickers, Cabinet Member for Planning and Development at Horsham District Council said: "It is great to see local builders who work alongside local authority Sussex Building Control being recognised for delivering high quality workmanship in the District. It just goes to show how good relationship management with Sussex Building Control can reap rewards."</p> <p>All winners will be put forward automatically for the Grand Finals which will be held in London on 9 November.</p>	For information
