PC027/18-19 PUBLIC SESSION

Four members of the public objected to the planning application for Mayfield (DC/19/0739), the reasons for their objections were over intensification of the site, out of keeping with neighbouring properties and invasion of privacy. There were also concerns about agricultural land at the rear of the property being incorporated into the garden. The Clerk was asked to report this issue to the Enforcement Team.

MoGRA advised that the Enforcement Team had requested for Denton Homes to remove the additional lighting in excess of that approved under application DISC/18/0019.

PC028/18-19 PLANNING APPLICATIONS

DISC/19/0079 26.03.2019 RESOLVED	Approval of details reserved by condition 8 on DC/16/1753 Land Opposite the Dun Horse Brighton Road Mannings Heath To raise no objection to the drainage proposals.
DC/19/0739 04.04.2019 RESOLVED	Erection of a two part and part single storey rear extension Mayfield, Pound Lane, Mannings To object to this application for the following reasons: <ul style="list-style-type: none">• Overdevelopment of the site• Unsympathetic to the immediate environment (one of the overarching aims of the Nuthurst Parish Design Statement)

	<ul style="list-style-type: none"> • Flat roofs included in the design (contrary to Section 2.8 Extensions of the Nuthurst Parish Design Statement) • Extensive rear paved patio which means there is virtually no usable rear garden (in contravention of paragraph 1 (a) of the Nuthurst Parish Design Statement). It also means that over half of the site is building or hardstanding which is out of keeping with the extensive gardens of nearby properties. • The proposed two storey extension means that the rear elevation is not sympathetic to the rest of the house because there are too many incompatible architectural finishes. • The proposed unsympathetic extension is contrary to policy 10 of the 'made' Nuthurst Neighbourhood Plan because the scale, massing, design, layout and materials do not reflect the architectural and historic character and scale of the surrounding buildings.
DC/19/0744 05.04.2019 RESOLVED	Erection of a two storey side extension of existing annexe accommodation Woodfield, Copsale Road, Maplehurst To raise no objection to this application, however, the Parish Council request that there is a condition for the annexe to remain connected to the house.
DC/19/0786 10.04.2019 RESOLVED	Surgery 1 x Oak Land rear of 21 Woodlands Walk, Mannings Heath To raise no objection to the application.

PC029/18-19 PLANNING UPDATES

- i) **Crossover (Micklepage/Winthrift) EN/17/0062**
RESOLVED to **NOTE** the Parish Council wrote to Glenn Chipp, Chief Executive, on 7 April, because the Planning Officers had not replied to previous correspondence. The letter asked for removal of the crossover to be enforced. To date no reply has been received from Glen Chipp.
- ii) **Coolhurst Close DC/18/1792**
RESOLVED to **NOTE** the Parish Council wrote to the Case Officer because there was still no S106 agreement and therefore no decision letter. The reply indicated that the delay was due to high volume of work in HDC and that the agreement was being negotiated.
- iii) **Copsale Farm DC/19/0499**
An amended structural statement was uploaded onto the HDC Planning Portal on 4 April and amended elevations on 8 April. The Parish Council and residents were NOT advised of these amendments.
- RESOLVED** for the Parish Council to write to the Planning Department and ask why the Parish Council were not informed about the amended structural statement /elevations and state that the previous comments submitted on 21 March 2019 still apply.

iv)

Coltstaple Farm DC/18/2517

There was a delegated decision letter on HDC planning portal 5 April, but no case officer's report. Furthermore, there were 8 objections from different addresses so this application should have gone to Planning Committee for decision.

The Parish Council wrote to HDC (Emma Parkes) asking for an explanation and were advised that the omission of case officer's report was administrative error. The Case Officers report was included on HDC's website on 15 April, but was dated 5 April.

The reply further explained that the application did not go to Committee because two of the objections were received after Neighbour Consultation expiry on 3rd January 2019, whilst the Standard consultation expired on 27th March 2019 and the Determination Deadline was 22nd January 2019.

The Planning Department has previously advised that they consider late objections when making their decisions and have considered late objections at Planning Committee meetings.

RESOLVED to write to HDC expressing the Parish Councils concerns about the procedure which had been followed.
