

MEMORIAL TREES
YOUR SOCIETY NEEDS

YOU

Nuthurst Remembers

The Nuthurst Society is pleased to support a parish Tree Warden plan to a plant tree in each of the hamlets to commemorate the fallen of both world wars. Much progress has been achieved with sites selected at Copsale Village Hall, St Andrews Church and the Cricket Club. Talks are ongoing with WSCC regarding Maplehurst village green and a site in Monks Gate is being investigated. A list of suitable species has been drawn up for approval by the various community groups involved.

A book with details of the fallen is also being prepared. Photos, service records and in fact even anecdotes about those who fell and whose names appear on the church lychgate and in the May edition of Link are urgently needed. If you have any memorabilia, pictures, in fact anything about those names or indeed family connections then please get in touch at nuthurstremembers@gmail.com
