6	To reduce traffic speeding and improve road safety in the Parish <i>Cllrs Court, Mercer/Nelson, Turner, Clerk</i>	1) Village gateways have been identified, approved for purchase, and in the process of being purchased and installed. 2) Consultation with parents about 20mph limit at St Andrews School in progress 3) Presentation by Parish Community Group on speeding in Parish	1) Plan to recruit volunteers to help with installation  2) May need more consultation	No	Purchase and installation  More consultation  Continue to liaise with Parish Community Group
7	Maintain and replace bus shelters <i>Cllrs Dixon, Turner</i>	All bus shelters surveyed and photographed	Generally structurally sound except Dun Horse shelter where the roof is failing and requires replacement. Park Lane waste bin is loose and needs re-fixing. All could benefit from a good clean and internal painting. Cut back of foliage would improve the presentation. Possibly fill in the sides (presumably once windows on some), but this does not appear to allow much, if any, water ingress.		Prepare and execute a maintenance programme based on the survey
