<p>Help us to celebrate on 30th January 2019 Email dated 14th January 2019, from Sonia Mangan, Age UK Horsham</p> <p>I wanted to invite you to our final event of what has been a staggeringly good Diamond year for your local Charity Age UK Horsham District.</p> <p>Of course we anticipated success but last week we managed to smash our £60k for 60 years target by just over £3k and we still have a few weeks to go.</p> <p>Just to remind you we set ourselves three very distinct goals to help us commemorate this milestone:</p> <ul style="list-style-type: none"> • Celebrate – the incredible achievements of the charity and local older people. We hosted 6 celebratory activities during the year and 8 events for older people and these just like our service took place across the district and we want to thank all our partners for joining us at those events; • Publicise – shout about what we do and how we can help local older people. We have had a promotional activity every week of the year and there have been nearly 60 of them (57 in fact); • Fundraise – we want the communities with whom we work with and for to get behind us and help raise £60,000 for our 60 years! Our team of staff, volunteers, Trustees, clients and community groups have hosted or supported 20 fundraising events and to date we have raised £63,149. <p>You have been part of this success in some way and we want to invite you to our final celebration. It will be an informal affair but we will need you to book in see details below. It will be a good opportunity to catch up with older people direct and to hear about the difference we make every day every year.</p>	<p>For information</p>
