

Nuthurst Parish Plan 2019 – 2021 **OPEN SPACES (Church Road and Gaggewood, Mannings Heath)**

No	Project (Brief description)	Tasks (Programme with timings)	Output (quantify/describe the achievement)	Cost (£) (Finance required)	Responsible person
1.	<p>Church Road To continue to improve the attractiveness of the green space between Church Road and Limekiln Road (previously planted with one thousand daffodils and 100 camissias) for the pleasure of local residents and passers-by Also, to increase the bio-diversity of the area (bees, butterflies, moths etc)</p>	<p>1) To ensure that West Sussex County Council (WSSCC) leaves large ovals of grass unmown in the Spring and Summer (notices needed)</p> <p>2) To sow wild-flower seeds in the long grass to extend the period of interest (collect seed e.g. wild campion and sow before the Autumn 2019)</p> <p>3) To arrange for one annual cut of ovals by WSSCC beginning in Autumn 2019</p>	<p>Ovals of long grass containing varied species of grass. Allow any existing wild flowers to seed and proliferate</p> <p>A wider variety of wild flowers that encourage insect-life such as bees. (Possible involvement of local residents in sowing of seeds)</p> <p>To allow the seeded wild flowers to grow the following spring (2020).</p>	<p>Nil</p> <p>Nil</p> <p>Nil</p> <p>Approx.</p>	<p>Owen Hydes</p> <p>Owen Hydes</p> <p>Owen Hydes</p>

		4) Provisional . To plant 6 to 8 bushes in the long grass to provide height and further interest. Autumn 2019. Licence has been applied for from WSCC	Bushes (eg. guelder rose, myrtle) planted to provide Spring blossom and Autumn berries, as well as a more varied landscape	£100	Owen Hydes with agreement of Finance Committee
2.	Gagglewood Provisional To start to improve the attractiveness of the wide verge at Birches end of Gagglewood following a request from residents for a similar project to the one at Church Road. Also, to increase the bio-diversity of the area.	1) To contact Saxon Weald, the owners of the verge, to acquire permission for the project. July 2019 2) To stake out ovals for wilding part of the verge and make and install notice boards to prevent those areas being mown by WSCC. July 2019 3) To involve local residents in collecting and sowing wild flower seeds before Autumn 2019. Plant daffodil bulbs in Autumn 2019. 4) To arrange one annual cut of the ovals beginning in Autumn 2019	Three ovals of long grass with daffodils, followed by wild flowers. Greater variety of wildlife Creation of a more rural feel to what is a rather urban area with parked cars To allow the seeded wild flowers to grow the following spring (2020)	Nil £25 for bulbs	Owen Hydes Owen Hydes Owen Hydes with agreement of Finance Committee
