

## Parish Council's main objections to Buck Barn:-

- \* new town not wanted in open countryside
- \* lead to heavy traffic on our lanes and roads
- \* increase pressure on GP surgeries, hospitals, ambulance service, trains, buses etc.
- \* loss of wildlife, trees, hedges, places to enjoy countryside
- \* developer unlikely to deliver promised schools, GP surgery, Improvement, jobs and everything else that would be needed to provide a sustainable development.

*You can use these points or state your own*

Please protect our parish and support our efforts to stop this development.

**YOUR OBJECTION TO HDC HAS TO BE LODGED BEFORE 30TH MARCH 2020**
