## Support the Community Hub Appeal

There's no knowing how long the effects of the coronavirus (COVID-19) pandemic will continue in our communities; impacting people's health and social and financial situations.

Although the national lockdown is easing, local volunteers at community hubs across the District continue to support vulnerable people in our communities.

You can help them by spreading the word about the Horsham District COVID-19 Appeal and raise funds so that they can continue their efforts.

## How you can help

Please share the website donation link with your friends, family and neighbours, either by email, social media or word of mouth. The more people who can help spread the word, the more funds will be raised for community hubs volunteers.

## Donate online

Even the smallest donation will go towards helping vulnerable people in your local area. [You can donate by debit or credit card online.](http://www.horsham.gov.uk/covid19appeal)
