Subject: Winery at Mannings Heath - planning application DC/19/2583

Dear Sarah

I am writing to update you and your colleagues on the above planning application.

As you may know a number of stakeholders including yourselves and HDC officers have concerns regarding this application. Having spoken to the applicants agent they are keen to engage with stakeholders to understand if there is a way forward with a scheme on this site.

Based on this position I have agreed with the applicants agent to hold this application in abeyance until they have sought further views. At this stage I have not agreed that HDC would accept any further amendments but I am keen to see what stakeholders have to say before we make any decisions.

I will certainly be in contact when there is any further update.

Kind regards

Emma
