Additional Buildings Information– only relevant where we insure buildings for Nuthurst Parish Council

Please review the following information that we currently hold for the buildings that we insure for Nuthurst Parish Council.

Please can we ask that you update the information for the buildings in line with the following guidance ;

- The address, including postcode, for each building. If there is not a postcode, due to the location, then please provide the nearest postcode to the building
- The construction of the walls and roof of each building.

Please note that a standard construction building is considered to be one with brick, stone or concrete walls with a tile, slate or concrete roof. Should a building have any degree of flat roof, please confirm the approximate percentage area of the flat roof and the construction e.g. felt on timber or concrete

- The re-build value of the building which should not only reflect the cost to reinstate the building but also the cost to remove debris and any professional fees incurred with the rebuild. If the building has not been valued in the last 5 years then we would recommend that the Council seeks a professional valuation.

Increased Core Cover Sums Insured:

Personal Accident

£100,000

Please remember sums insured should reflect replacement value and not purchase cost. We would strongly recommend that all assets registers contain a column for both purchase cost and replacement cost for insurance purposes. We do not hold a copy of your asset register.

Please confirm if Nuthurst Parish Council responsible for a Skate Park, BMX track or Zip wire?

Yes		No

Events

Please confirm **any new** events that Nuthurst Parish Council are the sole organiser of and confirm the following information;

- Type of event i.e. Summer Fete
- Maximum expected attendance at any one time
- Brief description of the event
- Confirmation that all third parties in attendance will have their own insurance and a risk assessment will be in place

Please note all bonfires and fireworks need to be referred to the office (even if they were referred in previous years) at **least 14 days prior** to the event with a risk assessment and confirmation of the distance from the bonfire and/or fireworks from the nearest building.

Please note that all events held by Nuthurst Parish Council must follow the government advice in relation to COVID19 social distance guidelines, applicable at the time of the event.
