### Speeding in the Parish

We asked you recently on Facebook to email us details of specific stretches of roads where you were concerned about speeding. Thanks to everyone who has done this. As a result, we have written to WSCC Highways about the nasty, blind junction at the end of Bar Lane where it joins the A281 even though it's out of our Parish. We have also asked WSCC Highways manager to have an on-site meeting with us about the possibility of a crossing on the A281 to the Elite shop, as well as speeding issues along some of our lanes.

# Winter Parish Walk 12 December 09.30

Join us for a free guided walk with Jonathan Simons and a fun quiz on Sunday 12<sup>th</sup> December. Meet at 09.30 outside St. Andrew's School, Nuthurst for an easy 2-mile amble. Dogs and children very welcome. There are even some chocolate prizes waiting for the winners!

## Season's Greetings

All of the team, councillors and clerk, would like to wish everyone in our Parish a happy Christmas and sends you our best wishes for 2022.
