Dear Mr Quin

The Parish Council's request for the re-instatement of remote meetings

Nuthurst Parish Council held many remote meetings via zoom during 2020 and 2021. These helped to keep infection rates down locally whilst allowing the work of the Parish Council and local democracy to continue in the same way as it did before the pandemic.

Once again, we face dramatically rising rates of infection. Nuthurst Parish Council wants to be able to protect its residents, clerk, councillors, and their families whilst at the same time being able to conduct its business in public. Currently, it cannot do this.

Nuthurst Parish Council therefore asks that the Government reintroduces the right for parish councils to hold remote meetings and asks that this request receives urgent attention.

Yours sincerely,

Owen Hydes OBE, Chair Nuthurst Parish Council
